

Welcome

It is my great privilege to serve as your representative in Congress. My top priority is being of service to you and your family.

Too many people don't know how our office can help. If you need assistance, have questions, or are just stuck in red tape when dealing with a federal agency, please reach out.

While we cannot order a federal agency to decide a matter in your favor, we can often help constituents receive updated information or obtain a prompt response and resolution.

Please don't hesitate to reach out to one of my offices with any questions, concerns, or requests for assistance.

Yours in service,

Elaine G. Luria
Member of Congress
